

SCOTTISH FIDDLE COMPETITION

To be held annually at the Waipu Highland Games on the 1st of January from 10.00 am

Introduction:

Why enter a fiddle competition? It's a personal goal, it's a chance to be heard, it's a yearly measure of progress, it's a time for camaraderie among your fellow competitors, it's a chance to really learn some new tunes, it's a good opportunity for our honoured guest judge to hear what New Zealand Scottish fiddlers are doing, it lets an appreciative audience know that there is such a thing as Scottish fiddling, it's an opportunity to be part of a Scottish fiddle competition tradition which dates back to Niel Gow in the 18th century, and most of all it supports the Games which are supporting Scottish fiddling. All ages and levels are welcome - give it a go and good luck!

Registration form

Please print clearly.

Name: _____

Address: _____

Email: _____
